

## CHATEAU ROCHER-GARDAT

---

### MONTAGNE SAINT EMILION

Chateau Rocher Gardat is situated on the appellation of Montagne Saint-Emilion, one of the satellites of Saint-Emilion. The property represents 7 hectares.

#### TERROIR

Clay and limestone soil.

#### GRAPES VARIETIES

90% Merlot and 10% Cabernet Franc.

#### WINE GROWING

Green harvest to select the best bunches. Harvest by hand

#### WINE MAKING

The wine is ageing during 12 months in barrels.

#### TASTING

Color intense cherry. In the first nose the truffle is dominant. After the aeration we let us have notes of ripe fruits. The tanique structure is important and of quality
